Often, we can play quite well in the practice room but seem to come apart at the seams when we have to play in front of someone, be it at a lesson, for friends, in a church service, or in a concert. Why? More importantly, what relatively simple steps can we take to overcome it? Explore with Rhett why you are fearful of playing in front of others, but more importantly, learn concrete methods of overcoming the fear. The session will be very interactive, and all who are willing will be encouraged to play individually during the course of the workshops. Prevention is the key and breaking bad habits may seem difficult but learning how your body works and responds to your playing technique is essential. Take this workshop if you've ever gotten up from the harp with sore hands, arms or shoulders! This workshop is not meant to diagnose each participant's individual issues but feel free to ask questions! This workshop is offered twice to maximize the number of people who can take it. Staneslow	Professionals' Toolbox: Working Well with Others	How do professionals put together arrangements? How do you find new music for an unusual ensemble? What should you look for in another musician? What do others expect from a harp player? Sunita will offer advice and tips on rehearsing and practicing with different combinations of instruments. Bring your questions and stories. Let's share and learn from our experiences. The harp works well with almost any other instrument. Embolden yourself to create a new sound!	Prof. Dev. Frankfurter	Swedish Polskas	Get deeper into Nordic music with this workshop focusing on Sweden's peculiar and most popular folk dance called the polska (not to be confused with a polka!). Learn 2 beautiful polskas by ear and get familiar with their triple meter time signature. Written music will also be provided and you'll learn musically appropriate chords and left hand arrangements as well. Like it? A second workshop in more Swedish music follows in the schedule. Furr	Using Harp with Children	From his experience teaching weekly Musikgarten to over 125 children, Dr. Fuu has developed using harp in his classes with these very young children. Get ideas on how to incorporate the harp in your music classes with children from six weeks and up. Laurence will discuss story telling, "hands on" playing with the children, playing different styles of music and having the children make up their own story and other ideas. Bring your harp and ideas and show us what you do.	Prof. Dev.	Therapy	Demo/Hands-on	Any	Sun	AM1	9-10:30am	y		5
Dodge	Youth Harp Program: Day 4	Final get-together and close out of our first youth harp program. Get answers to questions and/or issues regarding any topic related to harp. This will also be a time to help set new goals for playing, discuss new experiences, help students realize their potential and open up possibilities for the future. This is a wonderful opportunity for youth harpists to unite on issues they feel are relevant, exchange ideas.	youth	Skills	Hands-on	Beg-Int.	Sun	AM1	9-10:30am			Concert hall
