

## Friday Night about 9:15pm

Meet up with Debbie Brewin-Wilson, Kathy DeAngelo, Gráinne Hambly & Billy Jackson to play through some of the oft-played tunes from the Harpers' Escape repertoire that they've been leading in the Harpers' Escape Play-Along on Zoom every Monday since the pandemic began.

Come to Play. Come to Listen.

Key to this list:

I added the book number of the tune next to the title.
